

## Technical Accountant (m/f/d) 80 - 100%

(start date 1<sup>st</sup> January 2024 or to be agreed)

### What we offer

Echo Re was founded in 2008 and is a wholly owned subsidiary of the German DEVK Group. Its treaty reinsurance portfolio covers all P&C and a broad range of specialty lines of business from cedants in Asia, the Middle East, Africa, Latin America and the Caribbean.

The candidate will join a highly professional and growing team with a proven track record in building client relationships of mutual relevance. Our decision-making processes are lean, our hierarchy is flat, and our response times are short. This position is an addition to the team due to the growing portfolio.

### Your Tasks

In this role you will be responsible to handle all tasks independently and comprehensively along the Technical Accounting value chain including but not limited to the following duties:

- Handling and booking of Reinsurance Accounts in SICS in accordance with internal standards, guidelines and processes
- Handling of the relating correspondence with Cedants and Brokers
- Financial handling of incoming and outgoing remittance
- Conduction of regular data quality checks with the help of BI-reports
- Cooperation with Underwriting, Claims and Finance Department including proactive sharing of information

In addition, your expertise will enable you to contribute to core strategic projects and initiatives such as digitization and automation of processes and data quality enhancements or to take over the responsibility for special tasks within the team.

If you are searching for an opportunity to handle your own portfolio independently, work in an environment that is open for future technologies and in a team where teamwork is truly lived, this might be the right job opportunity to consider.

### Your Profile

- Independent, reliable and accurate working style, able to cope with high workload during peak times
- Open and forward-looking mindset with the enthusiasm to share knowledge within the team
- Knowledge of retrocession accounting would be a plus
- Commercial apprenticeship or similar qualification
- Minimum of 3-5 years of experience as a Reinsurance Technical Accountant
- Familiar with Technical Accounting systems and processes (knowledge of SICS is strongly preferred)

- Fluent in written and spoken English, other languages are advantageous
- Great and cooperative teamplayer
- Willingness to learn and to grow

Interested candidates are invited to send their application letter and CV to our Chief Financial and Operating Officer [Gregor.Schulte@echore.com](mailto:Gregor.Schulte@echore.com).
